EXPUNERE DE MOTIVE

la proiectul de hotărâre privind aprobarea statelor de funcţii pe anul 2011 pentru aparatul de specialitate al primarului şi instituţiile şi serviciile publice din subordinea Consiliului Local al Municipiului Ploieşti ca urmare a aplicării prevederilor Legii nr.285/2010 privind salarizarea în anul 2011 a personalului plătit din fonduri publice

Conform prevederilor art.7 din Legea nr.284/2010 salarizarea unitară a personalului plătit din fonduri publice se aplică etapizat.

Salariile de bază se diferenţiază pe funcţii în raport cu nivelul pregătirii profesionale, experienţa şi răspunderea în muncă, precum şi cu nivelul de complexitate a activităţii specifice fiecărui post.

Nivelul salariului de bază se stabileşte diferenţiat pe cele două categorii de personal din administraţia publică locală, respectiv funcţionari publici şi personal contractual.

Având în vedere prevederile Legii-Cadru nr.285/2010 privind salarizarea în anul 2011 a personalului plătit din fonduri publice, propunem aprobarea statelor de funcţii pe anul 2011 pentru aparatul de specialitate al primarului şi pentru instituţiile şi serviciile publice din subordinea Consiliului Local al Municipiului Ploieşti, conform anexelor nr.1-10.

PRIMAR,
ANDREI LIVIU VOLOSEVICI

RAPORT DE SPECIALITATE

la proiectul de hotărâre privind aprobarea statelor de funcţii pe anul 2011 pentru aparatul de specialitate al primarului şi instituţiile şi serviciile publice din subordinea Consiliului Local al Municipiului Ploieşti ca urmare a aplicării prevederilor Legii nr.285/2010 privind salarizarea în anul 2011 a personalului plătit din fonduri publice

Salarizarea unitară a personalului plătit din fonduri publice se aplică etapizat conform prevederilor art.7 din Legea nr.284/2010.

Pentru anul 2011 se aplică prevederile Legii nr.285/2010 coroborate cu prevederile Ordinului nr.42/77/2011.

Salariile de bază se diferenţiază pe funcţii în raport cu nivelul pregătirii profesionale, experienţa şi răspunderea în muncă, precum şi cu nivelul de complexitate a activităţii specifice fiecărui post.

Nivelul salariului de bază se stabileşte diferenţiat pe cele două categorii de personal din administraţia publică locală.

Funcţionari publici

Salariul de bază pentru *Funcţionarii publici de execuţie definitivi* se calculează pe grade profesionale (asistent, principal, superior), cu excepţia gradului profesional "debutant", iar în cadrul fiecărui grad profesional salariile de bază se diferenţiază pe clase de salarizare la care se adaugă 5 gradaţii şi încă 9 clase de salarizare în funcţie de cele 5 tranşe de vechime în muncă stabilite prin lege.

Funcţionarii publici de conducere se salarizează pe 2 grade şi pe clase de salarizare, care se vor stabili prin act administrativ al conducătorului instituţiei sau serviciului public în funcţie de vechimea în muncă, respectiv gradul I până la 15 ani vechime şi gradul II peste 15 ani vechime.

Personalul Contractual

În cadrul fiecărei funcţii de execuţie, salariile de bază se diferenţiază *pe grade profesionale în cazul studiilor superioare şi superioare de scurtă durată* şi *pe trepte profesionale în cazul studiilor medii*. În cadrul fiecărui grad sau al fiecărei trepte profesionale, salariile de bază se diferenţiază pe clase de salarizare la care se adaugă 5 gradaţii şi încă 9 clase de salarizare în funcţie de cele 5 tranşe de vechime în muncă stabilite prin lege.

Pentru personalul contractual de conducere salarizarea se face pe 2 grade şi pe clase de salarizare, care se vor stabili prin act administrativ al conducătorului instituţiei sau serviciului public în funcţie de vechimea în muncă, respectiv gradul I până la 15 ani vechime şi gradul II peste 15 ani vechime.

Legea salarizării unice a personalului din sectorul bugetar prevede pentru funcţiile de conducere numai studii superioare.

Totodată la nivelul funcţiilor de execuţie prin Legea nr.284/2010 sunt stabilite condiţii de ocupare a posturilor cu obligativitatea absolvirii studiilor generale sau a absolvirii studiilor medii, nivele de încadrare fiind altele decât debutant (nivel stabilit prin Legea nr.330/2009), ceea ce duce la reîncadrarea personalului angajat pe aceste funcţii, repectiv casieri, magazineri, manipulanţi bunuri şi funcţionari pe gradele şi treptele stabilite anterior aplicării prevederilor Legii nr.330/2009.

Tot prin aplicarea prevederilor Legilor nr.284/2010 şi nr.285/2010 la categoria personalului încadrat în instituţiile de cultură şi organizare spectacole se regăseşte încadrarea pe grade, respectiv trepte profesionale la nivelul personalului de specialitate, respectiv instrumentişti şi alte categorii de personal, fapt care duce la reîncadrarea acestora pe gradele şi treptele stabilite anterior aplicării prevederilor Legii nr.330/2009.

Reîncadrarea întregului personal din administraţia publică se face prin act administrativ nominal al conducătorului instituţiei sau serviciului public cu stabilirea salariului conform prevederilor Legii nr.285/2010.

Urmare celor menţionate mai sus, avizăm favorabil proiectul de hotărâre anexat.
